

Star Army Campaign Hat

A carryover from the [Army Of Uesureya](#), the 🎖️ [campaign hat](#) was used by infantry forces of the early [Grand Star Army/Star Army of Yamatai](#).

It is no longer in service.

Design

The Star Army campaign hat was different than a normal campaign hat because it was made of [Bulletproof Wool](#) and contained a concealed layer of metal armor, making it a sort of low-profile helmet. It was worn as part of the everyday uniform and also into combat. The hats were green in color.
