

Rikugun Brigade Task Group

Based around the [Tanya-Class \(1B\) Expeditionary Heavy Cruiser](#), the [Rikugun](#) Brigade Task Group is a joint fighting force that is comprised of a [brigade](#) sized ground compliment and their associated escorts, troop carriers, and command ship.

The Tanya-Class Expeditionary Heavy Cruiser functions as a headquarters and carries the brigade's Headquarters Century. Additionally, because of the comparative comfort of the Tanya's interior to that of the [Sigrún-class "Rikugun" Regimental Assault Carrier](#), the Tanya often acts as a mother ship for the four vastly more cramped assault carriers (docked onto the ship). The BTG is commanded by a [Chusa](#) while the flagship is Captained by a [Shosa](#).
