

# The Star Army® Wiki

This wiki is the Star Army® community's encyclopedia, index, and concordance for our ever-growing shared fictional universe and our guidebook for participating in and contributing to the RPG. It has grown to over 10,300 pages and 7,800 media files. Imagine how many printed RPG sourcebooks that would fill!

Help us keep the wiki updated. As events occur and characters appear in your Star Army RP, please add information about them so that we can keep the universe internally consistent. Your creations can help inspire others.
