

The Star Army Wiki

This wiki is the Star Army® community's encyclopedia, index, and concordance for our unique, ever-growing shared fictional universe and it is our guidebook for participating in and contributing to the Star Army Roleplay (SARP). It contains over 12,100 articles and 11,000 media files (mostly images). Imagine how many printed RPG sourcebooks that would fill!

Using The Wiki

In general, everything that happens in the Star Army RP becomes [canon](#), so please add information about any events that occur and characters who appear in the roleplay, so that we can keep the universe internally consistent. Creative contributions are also encouraged; you can expand the edges and fill in the gaps of the setting. Also feel free to fix any typos you find and update outdated pages. Be bold!
