The Star Army Wiki

This wiki is the Star Army® community's encyclopedia, index, and concordance for our unique, ever-growing shared fictional universe. It is our guidebook for participating in and contributing to the Star Army Roleplay (SARP).

Our wiki contains over 12,100 articles and 11,000 media files (mostly images). Imagine how many printed RPG sourcebooks that would fill!

Contents

You can find a list of topics in the sidebar, which is located on the left, or minimized at the top of each page if you are using a narrow screen such as a phone. You can expand the minimized sidebar by clicking on it.

Using The Wiki

In general, everything that happens in the Star Army RP becomes canon, so please add information about any events that occur and characters who appear in the roleplay, so that we can keep the universe internally consistent. Creative contributions are also encouraged; you can expand the edges and fill in the gaps of the setting. Also feel free to fix any typos you find and update outdated pages. Be bold!
