

UX-HB-1 'Juggler'

[Uesu's Fleet](#) passed through this system circa [YE 30](#) and it was otherwise unexplored until the [YSS Heartbreaker](#) returned in [YE 37](#) while following Uesu's trail. The system seems to contain no sentient life and no signs of space-faring technology, although there is one planet capable of supporting life. [UX-HB-1 I 'Owan to Tama'](#) is a lush jungle planet with scattered stone ruins and wreckage from several crashed vessels.
