Event Template

This is the template for adding timeline events to SARP history. An overview goes here. Try to remember to include who, what, where, why, when and how.

History

In this section, please give some background for the event and the events that led to it. **Why** did the event occur?

When did the event occur? Try to be as specific as possible like listing the day, month, and year on the Yamataian calendar.

Description

What actually occurred during the event? If it's complicated, you can break it down by adding subsections in here.

Where did the event occur? **How** did it occur?
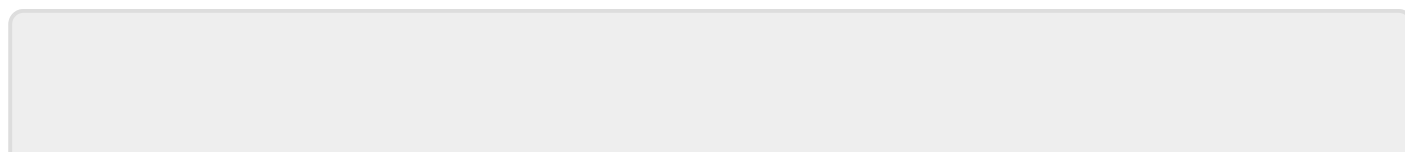

Participants

Who was involved in the event?

Results

What was the results, effects, or aftermath of the event? Did it lead to other events?
