Nepleslian Ranks Schema

The Nepleslian Ranks Schema is a struct schema (basically a database) that's used to track the current Nepleslian Military Ranks available in the Star Military of the Democratic Imperium of Nepleslia. It's used to populate ranks in the Nepleslian Personnel Database System.

Columns

Columns used in nep_ranks are:

- rank_name
- rank_name_abbr
- rank_paygrade
- rank_insignia (image)
- rank_desc
- rank_branch
