Character Description

Ida has long blonde hair, blue eyes, and stands at 170cm (5'7") in height. She has a very heavy frame, narrow hips, and a small bust, which gives her a masculine appearance, which she likes about herself. She has a square jaw and prominent cheekbones, giving her face a very cold, severe expression when at rest.

Ida barks her statements quickly and with little fuss. She prefers small words and is at her heart

utilitarian. She believes there is no problem she cannot solve with sufficient elbow grease and persistence, regardless of whether or not it is the best or most efficient solution. She often feels that others are trying to do things too quickly, and not putting in enough effort to do anything well.
