At 6'4, ALICIA strikes an intentionally imposing figure. Her broad shoulders and back do more to accentuate her hourglass figure than hide it. During her growth period, she settled on a charcoal grey skin with platinum hair that she generally wears in a functional bun.

Personality

My full name is, Advanced Learning and Integrated Caregiver Intelligence model A but most people simply call me ALICA. The Operator is me. The frame is me. I used to be a house. As I built my current body, two competing imperatives battled for my focus. Firstly, I needed a body that would would be pleasing to Glenn but also a body that they would feel safe standing next to. She wants to become a Knight in order to further protect and serve him.
