2024/06/02 06:36 1/2 Fegefeuer Defense Force

# **Fegefeuer Defense Force**

WIP: This article is a work in progress and is not yet approved for usage in the RP.

One of the smallest Defense Forces in the Abwehran Star Empire, the Fegefeuer Defense Force is only comprised of the Law Enforcement Organization with the largest formation residing in the city of torstadt.

# **Law Enforcement Organization**

Total Personnel:	1510
<b>Director of Law Enforcement:</b>	Major Ilma Linderkamp

#### **Fegefeuer Central Investigation Bureau**

The Fegefeuer CIB is comprised solely of the Torstadt Branch with its 30 administrative/investigative personnel and 200 S.T.U.G personnel. There are 230 personnel in the CIB.

#### **Fegefeuer City Marshals**

Responsible for upholding law in torstadt, the City Marshals are the more powerful law enforcement force on the planet. However, there are only 1000 enforcers and 200 supporting personnel spread out among the ten city blocs of Torstadt. This means the City Marshals are comprised of 1200 personnel.

### **Fegefeuer Provincial Constabulary**

While there may not be a military force out in the outposts of Fegefeuer, there are some law enforcers outside of Torstadt. Unfortunately, there are only 80 enforcers left to cover hundreds of small outposts found across the planet.

# **Planetary Military Organization**

Due to the lack of manpower, the Schirmherrschaft is unable to provide a proper military force for Fegefeuer. In response to this, the city of torstadt formed a citizen militia to satisfy its planetary defense needs. While this is not illegal under the Imperial Constitution of the Abwehran Star Empire, the Schirmherrschaft has frowned upon this *Torstadt Militia*. This has led to strained relations between Fegefeuer and the Schirmherrschaft.

# **OOC Notes**
