

Ke-V8-V4200 Aether Lance

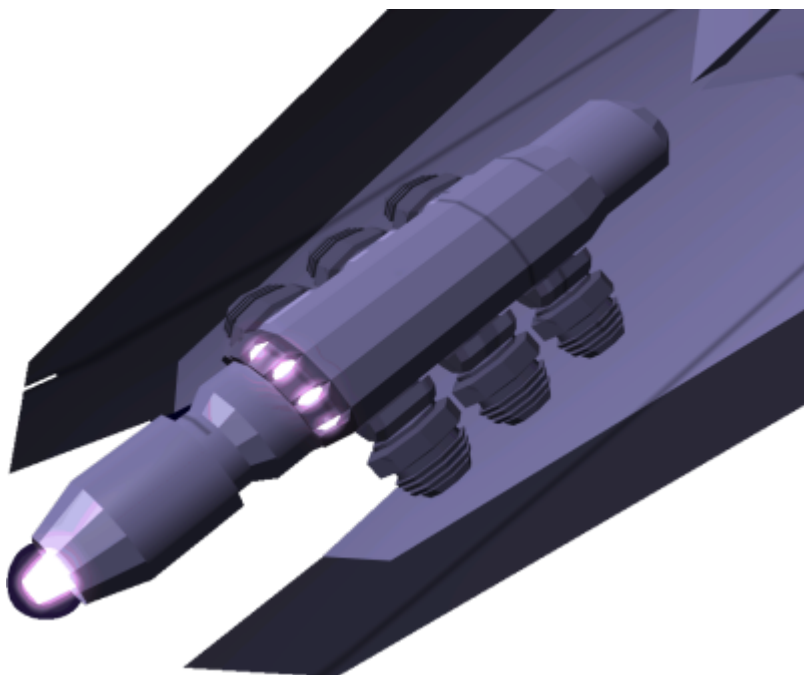

History

The Ke-V8-V4200 was developed as the primary weapon for the Super Kwarime. It uses a precise cascading release to create a powerful weapon to use against starships or other large structures.

About Ke-V8-W4200 Aether Lance

The Aether Lance is a weapon designed to have devastating damage to craft larger than the Super Kwarime. It consists of six compact aether generators. The weapon system charges up all three of the generators. Charging takes 30 seconds.

When fired the generators release in a cascading wave which increases the output.

Damage Capacity

See [Damage Rating \(Version 3\)](#) for an explanation of the damage system.

- Structure: Tier 10 - Light Anti-Starship
