Physical Description

Dark hair, blue eyes. Deceptively slim build. Dark tanned skin.

Personality

Jack might seem cynical, stoic and grumpy with a sardonic wit, but that is merely what his experiences have left him with. Despite all that as happened in his life, Jack still holds on to the belief that doing the right thing, despite the personal cost, is his true commitment. He's a principled man, a man that will not

budge on certain things, not even for the whole universe. Remembering his years in a orphanage, Jack is infailingly kind to children and the people that take care of them.

History

Born and raised in a orphanage, Jack became one of the poor fools that joined the marine corps out of patriotic and idealistic beliefs. However, years of combat and of losing friends and of nothing changing, nearly destroyed him, causing him to take more and more dangerous risk in missions. Through skill and pure (mis)fortune, Jack survived long enough to be able to retire. Now, he wanders through the galaxy looking for a purpose.

Skills Learned

All the basic [NSMC Skills](#).

Communications: Can speak and write Trade and Yamataigo.

Culinary: Back in the orphanage, Jack always helped with the food, becoming a decent chef.

Fighting: Jack is simply put, a born gunslinger. Able to use a great variety of ballistic guns, but preferring handguns, Jack managed to create a singular form of combat by mixing CQC combat and guns. It makes him an utter terror in close range. He's also proficient in the use of power armor, particularly Nepleslian Power Armors.

Physical: Either through a natural gift or sheer will, it takes a lot of damage to put Jack down.

Vehicles: Jack developed a taste for fast cars in his youth. Some people said with a bit more skill he could be a racer himself.

Rogue: A fight you avoid is a fight won. Jack is proficient in the use of stealth. He's able to infiltrate and exfiltrate locations withouth alerting anyone. He's also proficient in counter intelligence tactics.
