**Facial Features and Eye Colour:** Aegis' facial features are those of a woman in her late thirties to mid forties, pronounced cheek bones, pronounced yet feminine jaw bones, modest lips, the onset of frown-line wrinkles, and well-groomed eyebrows. Aegis' eye color is an amber gold with black flecking.

**Hair Colour and Style:** Aegis often keeps her shoulder-blade length white hair in a loose braid. Her red dyed bangs are brushed to hang down to frame her face.

**Distinguishing Features:** Aegis' primary distinctive feature is her notable lack of large numbers of scars in comparison to the conventional Fyunnan of her age. **Likes:** Armor, hearty soups, and mentoring low ranking soldiers **Dislikes:** Contradiction, lies, manipulation, and round-about methods **Goals:** To serve the Matriarchy to her fullest extent until age forces her retirement from service

## History

### Pre-RP

Aegis was born during the last legs of the war between the Lorath and Helashio. At the age of 30, she joined a branch of the Fyunnen caste's combat force which was established to find and detain rogue groups of Helashio and place them in internment camps. During Aegis' service, she established herself as a competent front line soldier, primarily excelling in maintaining defensive lines during melee combat engagements. Several times during her service she alone served as a capable physical barrier against sizable attacking forces of Helashio. In several occasions, Aegis has placed herself in the path of potential life-threatening harm for the greater good of the Fyunnen in the field of battle.

Twenty five years of Aegis' life were utilized in service to the Fyunnen in front line combat operations. From that point, Aegis took on command position rolls, eventually ascending to the rank of General. At the age of 125 Yamataian Years, Aegis retired from military service, and has taken the task of service as a politician.

During Aegis' military service, she was able to find and court a husband. From this pairing Aegis has managed to bear ten children, which have since grown and have entered service in the LSDF.

### Senator Service
