Organization:	<a href="#">Conclave Aerospace and Fleet Forces</a>
Occupation:	Bridge Specialist
Rank:	<a href="#">O4WB</a>
Current Placement:	<a href="#">NDS Ravenaca's Watch (Plot)</a>

## Physical Description

Duncan Fletcher is a 31-year-old [Osman](#) Human. He stands at a moderate 5'10"(177cm) and weighs 150 lbs (68kg). He has greyish-black hair, beard, and mustache. His eyes are grey, and he looks unusually aged for his actual age.

## Personality

Duncan is a hard-nosed and stern person, molded by Osman's harsh environment. His attitude is often

seen as sour by others, however his focus on the tangible realities of a situation often allowed him to react quickly to a rapidly changing combat environment during his time as a pilot.

Once “promoted” out of the cockpit, Duncan became somewhat bitter towards the newer generation of pilots composed of [operators](#) and other Synthetics, feeling that he had been pushed out of his desired role. Because of this, he is often harsher to Synthetic subordinates than to natural ones, though he still prides himself on keeping his pilots safe.

## History

Duncan Fletcher was born in [YE 12](#) on [Planet Osman](#) in Asantren. He was raised as a military man from a young age, growing up to be a cavalryman in the Osmani regime's army. With the downfall of Osman's previous rulers in the late 30s , he instead joined up with the fledgeling [OSO](#)'s military, seeking further thrills by serving as a pilot and becoming a squadron leader in [YE 39](#).

When [Section 6](#) left the OSO, Fletcher went with them, continuing to serve the fledgling group as it evolved into the [New Dusk Conclave](#). Eventually, Fletcher was promoted out of the cockpit in late [YE 42](#), and blames it largely on [Operators](#) and other synthetics pushing naturals out of jobs.

## Skills Learned

Optional section. Duncan Fletcher has the following notable skills:

## Social Connections

## Inventory & Finance

Duncan Fletcher currently has 12000 DS.

## OOC Information

This article was created on 2021/02/12 18:06 using the namespace template.
