Physical Description

Zeke is a 6'2 human male with blonde spiky hair, slightly tan skin, amber eyes, and a long scar running horizontally across his jaw. His face is lean and his body build is lean, but well built from his days in the military and has various scars running over his body. He has a small tattoo on the right shoulder of a red sword with black wings.

Personality

Zeke is energetic to almost the point of being hyper. He has a kind heart and a naive sense of adventure. Even though he has dealt with terrible things in the past, he has kept a optimistic view on things.

History

Zeke was born in YE18 and was orphaned at a young age when his parents died of unknown causes. He spent the following years running the streets of [Funky City](#) with his best friend Jack Pine, who he joined the NSMC with at the age of 16. After five years of service and a lot of bad events, they both left. They separated to go their own ways, with Zeke staying on Nepleslia to try unsuccessfully to start a bar, and Jack going to some unknown planet. Zeke has now looked to the science field to see if he can put his expertise in communications to use.

Zeke joined the HX-14 exploration mission. The mission lasted one week as the team explored the dead planet, but were shooed off by fifth fleet of the SAoY.

After he came to 188604 and spent time around Section 6 which was run and founded by his childhood friend Jack Pine. There he met Sindy Xou Draguun, who he began to grow a relationship with while he worked under contract for S6.

During his stay, he joined the GH expedition in mid-YE40 and spent two months there until the expedition concluded.

Moving on to further work, he signed on with Origin, where he put his mech piloting skills to use as a frame pilot.
