Personality

Anna is an ISTJ-A¹⁾ personality type, driving her to be a very reliable and rational person. She is extremely introverted and observant, but is quite talented at masking it whenever she is on duty. Generally she leans towards being thorough and decisive in most all aspects of her life. One of the only think she gets openly affectionate about is animals, particularly those she works with. In line with most assertive behavioral tendencies she is very stress resistant and self confident. Co-workers and social encounters alike are likely to find this short woman packs one heck of a punch.

History

Anna Kaine was born on [Nepleslia](#) in [YE 27](#) to Richard and Jane. Both of her parents served within the [Nepleslian Space Marine Corp](#); her father Richard was a [Marine Sniper](#) and her mother Jane was a [Medic](#). Throughout her childhood she spent most of her time devoted to her studies, but always took the time to sneak off and care for animals when she could. Much to the dismay of her parents she was quite staunch in arguments made about the time she spent with furry critters versus people. The only activity that could compare to her passion for living creatures was martial arts. Being among the shortest in her class she was often laughed at, but that never deterred her from chosing the most challenging opponent to further test her abilities.

She followed in her parents' footsteps, going into the [Nepleslian Space Marine Corp](#) as a [Medic](#). While the field was thrilling and provided her with a wealth of knowledge, she jumped at the chance to swap her MOS for [Nepleslian Military Animal Handler](#) at the first possible chance. Rather quickly she discovered this occupation was where she could excel in the military while being able to show her passion for animals.
