Occupation:	IPG Representative
Rank:	Ensign

Physical Description

6'1, heavily muscled, dark brown skin, ocean blue eyes, short buzz-cut black hair, heavily tattooed arms, clean shaven, incredibly gruff voice and always smells like that badly-scented military soap.

Personality

Oakam is a run of the mill, born and bred warhorse of a soldier. Always serious, unyielding and gruff in whatever he does. No time is off time and any life outside service is no life at all. He hates talking to people less dedicated than himself and acts as if he's the best thing since sliced Bread.

History

Nobody bothered to ask where Oakam is from or how old he is, he's never told anyone and probably wouldn't if they asked. He's been on many placements across a range of ships and classes, for a good couple of decades. Selected for IPG after exemplary performance in action. Nicknamed "Row" because people thought the nickname "Oak" would be too obvious so took the first three letters of the word "Rowan".
