## Physical Description

A young man of 6 foot 6 inches, Andrew is lightly tanned with hazel eyes. He wears his charcoal black hair parted to the right. He wears glasses and a watch on his left wrist. He has very rounded ears which always have an ear piece attached to them. Andrew has a tattoo on his right ankle with his sister's name and a date underneath.

## Personality

Andrew is a very smart and boisterous young man. He is hardworking and always willing to try new things. Andrew has a habit of getting lost talking about his work and not paying attention when people tell him stop. He is extremely social and enjoys spending time with new people.

## History

Born in [YE 13](#) to Terresa and John Wilson, Andrew was always a smart boy. He was always top of his class and never once got below an A+ on his assignments. By age 13 he was excelling in all his classes and participating in many extra-curricular activities. He was extremely social and never once missed a chance to go out and do stuff with his friends or go exploring to meet new people. At age 12 he developed an interest the way things worked, spending his free time dismantling and reassembling random mechanical objects. This was an interest that would lead to him studying engineering later in life.

At age 15, on 20日 4月 [YE 28](#), his younger sister Amanda took her own life. At age 18, Andrew had her name and the date 20日 4月 [YE 28](#) tattooed on his right ankle so he would never forget her.

At age 25, Andrew graduated with honours to become an engineer. After a spending a rough two years jobless, where he lived with friends and family while job hunting, he found a job at the new start up company, Galactic Horizon, where he was assigned to the Horizon Expeditionary Force.
