Physical Description

Ginji is 162.5cm or 5'4", fairly average for his age. He is skinny like his dad, with light skin, brown eyes, and black hair which always seems to be messy and full of dirt and grease.

Personality

Both Ginji and his older brother Daizō took after their father, but in different ways. Where Daizō loved plants and camping, Ginji loved robots and technology. Ginji is a little shy around other kids, but finds it easy to open up while talking about technology, particularly robots.

If not otherwise occupied, Ginji tinkers with his little pocket-sized robots in hopes of being as cool as his dad some day. He has a fist-sized robot called "Army," modelled after his dad's Handy Max, which is essentially a cube with a sensor arm protruding from every face. Maybe he'll join the [Star Army of Yamatai](#).
