

Mattais Goldwater (NPC)

Mattais is old, very old. This gnarled old man is the best weaver in the galaxy, and his work is not cheap. years at various looms, working in low light conditions have rendered him blind. He is blind the same Mozart was deaf, and he weaves by touch. He keeps the various colors of silks in labeled containers, so he doesn't mix them up, and his artistic sense, ever when working on the blankets and sheets he cannot see, is amazing. he never upgraded his body from "human". He is nearing the end of his life, and he looks forward to it.
