## Physical Description

Hair/Skin: She has two rare traits for Neko; with auburn or red hair as one of them. Her hair is very long, being able to flow down below her knees. It often is in buns or braids, that make it seem a lot shorter than it actually is. Her skin is a grey coloration.

Eyes: Dark Red

Physique: She is a tall Neko, standing at 5'6, with round eyes and pointed ears like an elf. She is slim and toned, obviously built for combat.

## Personality

On the battlefield, she is known to be determined, fierce and ruthless, as she was built to be. But out of

the battlefield, she is friendly with others but has the habit of often trying to mimic their personality or way of life so they like her; which often just makes them hate her. She is extremely hard working, often taking 24 hour shifts, despite having break times. She rarely gets angry; if another star army personnel would even punch her in the face, she would just take it, as she will not harm a friendly person.

## History

Brynhildr was born in [YE 38](#), as one of the newer Nekos in the Star Army. After completing her general training, she joined a Star Army of Yamatai star ship as a general infantrymen. It went like that for most of her career, which is why this is so short. She switched between two ships in her lifetime, her last assignment was to join Squad 13 as they venture into the unknown and dangerous world where magic lives and frightening creatures stalk the night.
