## Physical Description

Aoki is a white Minkan that is 152 cm tall, and 57 kilograms in weight. Her body is mostly small and childish, with her having also only an A-cup in terms of breasts, and fairly thin hips as well. She has long dark blue hair, which reaches far past her tailbone, which she also sometimes ties up into a ponytail. To match her hair, she has slightly dark blue eyes, which are in a round shape, and an incredibly childish face, which is round and features a tiny nose and bit of a red blush around her cheeks, along with rounded normal ears. She lacks any bodily or facial hair, and has a scent of lavender. Her voice is somewhat childish sounding, but also a bit on the stern side at times.

## Personality

Aoki is a very talkative and childish girl, that's often squeamish and girly around nasty things or anything she finds repulsive, and cries on occasion when she's heavily embarrassed. She has a single small goal in her life, simply wanting to show off in front of her younger siblings, or her friends, and prove to be a decent big sister. She's usually quite a hard worker, since she has three younger sisters to take care of, along with a fairly young brother. She very rarely gets angered, but can sometimes become strict if she sees her younger siblings acting heavily out of turn, or doing something 'unladylike'. She's quite cautious about what she does, but can be stupid and rush in to deal with issues. Most of her relationships are just friendships/sisterships, nothing more. She's incredibly social as well, usually just chatting about. She's incredibly motherly acting towards her younger siblings, while also being very braggy as stated earlier, going to no lengths just to impress them, while around other people, she can act a little cold, or a little quiet, unless she knows them well. Around men/boys on the other hand, she acts more tsundere, believing most men are just idiots that want to flirt with her... This doesn't mean she doesn't like them though, she just doesn't have many guy friends.

## History

Aoki Kyuji was born in YE 19 to Ai Kyuji and Eizo Kyuji, in the city of [Kyoussou](#) on the [Yamatai \(Planet\)](#). Through her youngest years, her parents had three other girls, who she almost immediately fell in love with when she began to grow up. The oldest one of her three younger sisters, Mikako, proved to be little struggle for her, as she grew up more quiet and professional acting, which was unexpected for Aoki. Her other two sisters, Shinako and Hidemi, proved to be slightly more challenging, as Shinako was tomboyish, and Hidemi was incredibly shy. Her three younger sisters took up most of her younger life, as she absolutely adored them, and didn't want to do anything more than just be around them. She soon went through basic schooling, and quickly gained a few followers, who were impressed by either how high she propped herself up, or how caring she seemed to be at times. Once she got into a Middle School, she thought she'd really have to step it up, so everyone, including her sisters, would still think she was awesome. She began to take a more attractive appearance, growing her hair out much longer and dawning a tsundere attitude towards boys, while also talking a lot more about how awesome she was. She soon got through Middle and High School, doing fairly decent, and decided that afterwards, she wanted to really impress everyone- She was going to join the Star Army of Yamatai, and certainly prove to be as amazing as she had talked about. In YE 39, she joined up and went through basic training.
