History

Family (or Creators)

The Zarall family:

Mother: Kristiel Zarall

Father: Hadramiel Zarall

Sister: Laurette Zarall

Pre-RP

Araquiel was born a girl while the [Second Elysian War](#) was still starting, she was protected with her family looking after her, they were just civilians and just hoped to survive during the War. Samandriel only remembers a tiny amount of this time, mostly Laurette and Kristiel crying as they heard more about the world, her only big memory is when she was one and it was her laying in her crib looking up at the mobile

spinning just above her, she could hear her family crying and cursing the Yamataian Empire.

When Araquiel was four the mass exodus had started and her family was moved to [Elysia Novus](#) to live, her family didn't seem too happy with this but like everyone else seemed to be determined to embrace this new home. She stayed with her family happy to still be with them, but Hadremiel seemed angrier than normal, he would mutter insults to Yamatai whenever he could. Laurette and Araquiel just played together happy and Kristiel was more quiet and distant than she used to be.

Araquiel was taught by her parents, till she was six, then went to school to have a better social life. While at school she was a tom boy hanging around boys more than girls acting like a boy, getting into fights and playing boy games. She felt better being one of the guys than one of the girls, rumours spread about her but she and her friends ignored these rumours as they were hate-filled and untrue.

When Araquiel was nine the [Fourth Elysian War](#) had just started she stayed with her family worried that they would be killed by the Yamataians because they were Elysian. She didn't go to school while the war raged and missed her friends a lot in this time, she played games and talked with Laurette while they hoped that the war would stop with them being victorious, when the war was over the family hated that Yamatai had won this war.

After the [Fourth Elysian War](#) Araquiel worked towards being a soldier, while she was at school she was preparing to get into the [Elysian Celestial Navy/Star Army of Yamatai](#). While she was studying and training she realised why she had never felt right, she was actually a guy not a girl. After this Araquiel changed his name to Samandrial and soul transferred to a male. Samandrial was allowed to move in with one of his friends and continue his schooling, while living with his friend his schooling went easy as he felt more comfortable and happy with his new personality.

Samandrial loved weaponry of all sorts as he went through his training, he didn't really find anything else as interesting as he did weaponry. He spent most of his time with the weapons learning how to clean and maintain each one as part of his training as a soldier, when he finished his training he worked for the [Elysian Celestial Navy/Star Army of Yamatai](#) and worked as hard as he could still bearing his family's hatred most of the time.

Skills

Communications

Samandrial is fluent in [Seraphim](#), both reading and writing and is familiar with basic radio operation and procedures and can make transmissions to and receive transmissions from other characters through headsets, star ships, power armour, and shuttles in both combat and non-combat conditions. He is fluent in Trade and Yamataigo as well.

Fighting

Samandrial received hand-to-hand combat training, followed up with a rigorous training program. He is

skilled and experienced in combat both in Yamatai-like conditions and in zero-gravity, with and without weapons. He favours close combat to range as he likes to see the person's face when he fights with them.

Technology Operation

Samandrial can operate systems using Yamataian or Elysian OSs, able to search for or input data without any problems.

Demolitions

Samandrial has a love for explosive putty and C4, he has knowledge on grenades and other thrown explosives but found that he liked creating holes in walls and hulls with explosives more than throwing them at a group of targets and watching limbs fly around.

Survival and Military

Samandrial was trained in what to do if stranded on a planet, so he needed to use limited resources and natural resources. He has also been taught in different military actions from communications, cleaning weapons and all other things that are needed for a soldier.

Mathematics

Samandrial has received basic mathematics training, to including up to algebra and trigonometry.

Physical

Samandrial has a nimble frame, so he has good speed and acrobatics useful on the battlefield for dodging and positioning in the perfect way. He can use his wings to fly for about an hour at a time when needed to do so.
