Character Description

Namika is a typical [NH-33 \(Tennyo\)](#). She is 5'5" and 125lbs with neck length black hair and sapphire eyes. Namika is a grease monkey at heart. Throughout her career, she has believed in hard work and absolutely hates 'paper pushing'. She would rather disassemble and reassemble twenty Starfighters than write a single report.

Namika can be a loud-mouthed, over-opinionated and bossy person when under pressure. She is relaxed in many areas such as formalities and etiquette. She detests bowing, formal addresses and command officers who have no idea how a launch bay runs. When her crew is preforming or when she is off duty she is a kind and approachable individual who loves to socialize. She has a love for comedy and humor and believes that laughter is the best morale an officer can give her subordinates. She can be a trickster

and often times her practical jokes get her into trouble with her superiors.

History and Relationship Notes

Now serving as Deck Boss/Flight Control Officer on the [YSS Densetsu](#) she continues to interact with the ship's starfighter squadrons such as the [Toushi Starfighter Squadron \(7SF-01\)](#) and directly supervises the maintenance of their [Hayabusa V6D Starfighters](#).

In, [YE 42](#), Namika transferred to the [First Expeditionary Fleet](#) to an assignment on the [YSS Tokyo](#). She also officially joined the [Motoyoshi Clan](#) after her daughter Asano Mirai was killed by [Motoyoshi Kiyoko](#).
