History

Family

Father: Richard Mkvenner (Deceased) Mother: Alice Mkvenner (Deceased)

Pre-RP

Born by late-parents, his mother and father died while he was a young man and he went out into the world and joined the army, becoming a hardened campaigner in the Nepleslian army. He was formerly in the Nepleslian military, and proudly held the rank of Sergeant. However, due to a 'falling out' with his commanding officer, and due to having friends in high places, he was busted right back down to the lowest rank. He decided to try and start anew in the army of the Yamatai army. His skills quickly gained respect from his fellow soldiers, if his non-robotness didn't, effectively stunting him into enlisted rank for his entire career.
