Quote from Mission San: Kaizen!
"I'm trying to breach contact to negotiate with the L'Kor!" Deio Asuka said excitedly. "How is that going?" Eden asked. Asuka was hesitant, "... Not well."
Quote from Mission Four: Shinjitsu!
Deio Asuka laughed out loud and grabbed her mouth in her hands and brought her face close to her knees as she tried to stifle laughter. "The only question is," Reina Madoka chimed. "What kind of eggs do you like, Little Barry-Hei?" "Ah, by the Empress I can't take this!" Asuka mumbled. "Not in the slightest! Little Barry?!" She held the bridge of her nose and looked up to the ceiling, trying to hold back tears of laughter.
Quote from Post-Mission Five: Kekkon
Behind her a giant red umbrella was held by Deio Asuka vaguely over the bride, swaying mildly one way and another as she walked, not so accustomed to wearing geta as Eden was.
