Star Army of Yamatai

Pre-RP

During her socialization training, Deziarra showed both intelligence and an ability to get things done. However, she tended to keep to herself. She thought becoming a technician would be best for emphasizing her strengths and minimizing her weaknesses.

[From Here To There] After graduation she flew on an old space shuttle and helped repair the engine.

YSS Eucharis

[Mission 20] Deziarra arrived on a planet called Dreamworld when she had strange dreams. Later she, along with other members of the crew, was exposed to an hallucinogen causing hallucinations, paranoia, and reduced inhibitions. She was one of the first to recover and tried to find the source of the problem
