History and Relationship Notes

Pre RP

Minato was created at [Nataria Fleet Depot](#) in [YE 23](#) as a [NH-17 Nekovalkyrja](#) where she served for several years as a decommission specialist for the [Star Army of Yamatai](#). She perfected many of the procedures utilized in the depot to remove the weapons and restricted technologies from ships that were being mothballed. In [YE 31](#), Minato survived the [NMX](#) attack that resulted in the capture of [Nataria](#). After being evacuated to [Yamatai \(Planet\)](#), she served as a logistics officer stationed at [Luna Bianca Shipyard](#) until the [Second Mishhuvurthyar War](#) began to change directions and her home was reclaimed by the Empire. In [YE 33](#), Minato retired and transferred to a [Minkan](#) body and returned to [Nataria](#) as a civilian to assist with the rebuilding of the [Nataria Fleet Depot](#). Lured into the political arena, when Nataria's representation risked falling into less experienced hands, Minato ran a successful campaign, becoming the senator for the world where she had spent most of her life.
