## Hayashi Nyoko in Roleplay

Hayashi Nyoko is a [Player Character](#) played by [Shunrai](#) and is currently involved in the TBD plot.

## Physical Characteristics

Height: 5 Feet Mass: 95lbs Bra Size: 32b

**Build and Skin Colour:** Nyoko's build is typical of those of her kind, slim, slender, and fit, with her skin color a light pink. The only thing one could pick out is that she is perhaps shorter than the average but not by much.

**Facial Features and Eye color:** People have commented that Nyoko has a youthful face, that of perhaps a child with eyes the color of a dark prussian blue, like that you see in the oncoming of night.

**Hair color and Style:** Nyoko loves her dark violet colored hair which is brushed constantly, wearing it loose and long, though not so long as to be out of control, allowing it to end near her shoulder blades. She never changes her hair style finding that consistency is the best policy.

**Distinguishing Features:** Nyoko's fur on her ears are a different color than that of her hair being a dark blue similar to her eyes, at the base, turning a sky blue color the further towards the tips of her ears.

## Psychological Characteristics

**Personality:** Nyoko is quiet, and reserved. Preferring to blend in rather than stand out. She is not super shy and will talk to someone when spoken to and can easily make friends with those she talks to. Nyoko finds one on one conversation awkward, though while in a crowd will be a part of the conversation gladly. She enjoys large crowds, though also enjoys being alone where she can concentrate and work on other personal projects.

**Likes:** books, tea, cooking, being in a crowd, being alone, calligraphy, physical activity. **Dislikes:** Pushy people, one on one conversation, doing nothing, showing off her art. **Goals:** To become the best she possibly can become.

## History

### Pre-RP

Nyoko's past is similar to most other Nekovalkyrja being born in a cloning vat and put into training. Her instructor however was not the average, she encouraged her students to find something other than fighting and to look into activities such as art, music, and cooking. Nyoko found she enjoyed art reading lots of books on the subject and eventually even creating her own works when she was not training. This became her second passion in life. Recently Nyoko has been shipped to her first assignment.

## Service Record

### YSS Senbu

A member of the Pride Wing power armor squadron.

## Skills

### Communication

Nyoko was thoroughly trained to be familiar with basic radio operations and procedures and can make transmissions to and receive transmissions from other characters through headsets, starships, power armor, and shuttles in both combat and non-combat conditions. She is also fully fluent and bilingual in both English and Japanese, able to speak, read and write in both languages correctly and efficiently and can write reports, fill forms, issue orders under fire, etc. As a Nekovalkyrja, she also has natural skill with telepathic communication.

### Fighting

Nyoko is skilled and experienced in combat both in Yamatai-like conditions and in zero-gravity, with and without weapons. Weapons she is trained in include energy pistols, energy rifles, grenades, knives, and power armor.

### Technology Operation

As required Nyoko was fully trained and is capable of operating any computer system that uses the Kessaku OS, found on all Star Army starships, and is proficient in entering and/or searching for information.

### Survival and Military

Nyoko has received basic training in basic survival skills, land navigation, camouflage, etc.

## Mathematics

Nyoko shines at mathematics having received basic mathematics training, to including up to algebra and trigonometry. She could advance further and probably will at some point.

## Art

Nyoko has quite an extensive hobby in many different arts, enjoying painting and old fashioned calligraphy. She practices while she is alone with no one to bother her. She keeps her work to herself finding it more of a personal thing that she herself is never satisfied with.

## Vehicles

As part of her extended training, Nyoko is capable of operating, maintaining, and repairing most ground vehicles, hovercraft, shuttles and fighters currently in service in the Star Army.
