"We did our duties. We colonized worlds." a voice came from the direction of the door. Ieyasu Taro had long since retired from the Star Army. The veteran Yamataian unzipped his jacket and tossed it towards one of the chairs. "We were damn good at it too." - [7th Fleet- The Plum Princess](#)

## History

Taro began his life as a [NH-22C Yamataian](#), cloned by the [Star Army of Yamatai](#) to fill administrative service shortages in [YE 20](#). Serving in the [Star Army of Yamatai](#), he climbed the ranks to [Shôshô](#) very quickly, and followed [Ketsurui-Motoyoshi Katsuko](#) through her commands until she became [Empress](#) in [YE 30](#). When many officers in the [Fifth Expeditionary Fleet](#) went to the [United Outer Colonies](#), he remained in the [Yamatai Star Empire](#) and loyal to [Ketsurui-Motoyoshi Katsuko](#). Taro retired in [YE 31](#) after facing ridicule for his loyalties to Katsuko and the clan.

During his career in the [Star Army of Yamatai](#) he most notably commanded the [Ayame-class Cruiser YSS Lorrheim](#) in the [Fifth Expeditionary Fleet](#). He was regarded as one of [Katsuko's](#) greatest military strategy advisors.

In [YE 30](#) when the [United Outer Colonies](#) separated, Tange Haru attempted to sway Taro to commit treason and tried to hijack his ship. The situation was rectified because of the bravery of his First Officer who shot the Tange Clan member in the head with her NSP. The YSS Lorrhiem was able to return to [Yamatai \(Planet\)](#).<sup>1)</sup>

Taro was the only male member of the original twelve that ran the [Motoyoshi Clan](#), and played a paternal role to many of its members. Most notably, he is a friend of [Motoyoshi Eri](#) and , the former senator of the [Taiie](#) System. He is overprotective and a faithful friend. In his younger years, he had a reputation for being quiet but, in retirement, he has developed a very vibrant sense of humor to cope with stress. Taro has a habit of driving [Kotoku Sui](#) mad by showing the flaws in the fortified exterior of her personality.

In [YE 42](#), Taro became the guardian of [Motoyoshi Eidan](#) who is the son of [Motoyoshi Tio](#). It was his decision that [Motoyoshi Tio](#) was unsuitable to be a parent to Eidan due to his treachery and involvement in the [United Outer Colonies](#). Taro flexed his power within the clan, he demanded that Tio join the [Star Army of Yamatai](#) as a way to redeem himself in the [Yamatai Star Empire](#). He spent a year, educating and raising Eidan on the [ISS Shiori](#) until the end of the [Kuvexian War](#) ended in [YE 43](#). He then had Eidan sent to [Tsubomi](#) to attend school.

When [Ketsurui-Motoyoshi Katsuko](#) decided to retire from the [Star Army of Yamatai](#), he was the first to know. He became actively involved in initiatives to tie up loose ends in the clan's business. He started an unofficial program with [Kaieda Auda](#) to eliminate Tange Clan terrorists that had previously escaped

capture. He specifically had her target those who had committed acts of terrorism against the [Yamatai Star Empire](#). During the same time, Taro took it on himself to meet and discuss clan business with [Kage Yaichiro](#) <sup>2)</sup>, to whom [Ketsurui-Motoyoshi Katsuko](#) and [Motoyoshi Eri](#) became engaged in early YE 43.

## Ojisan Taro

Ojisan (叔父さん) Taro is considered an elder of the [Motoyoshi Clan](#). He is a brother to [Ketsurui-Motoyoshi Katsuko](#) and he has a significant amount of influence and power inside the clan. He serves as an advocate for the younger generation and often focuses his wisdom and support on them. He is particularly fond of the daughters of [Ketsurui-Motoyoshi Katsuko](#), and has given them all flower-related nicknames.

"Well, now, if it isn't the greatest Mother in the whole Sector, and my Uncle the leader of the greatest family" - [Motoyoshi-Igarashi Yue](#) @Victory Day YE 43<sup>3)</sup>.

As of YE 43 it has become very obvious that Taro's leadership in the clan is very much a real thing, especially as the clan has been growing and becoming more influential in the [Yamatai Star Empire](#).

## Appearance

Ieyasu Taro is a handsome [Minkan](#) with green hair with light blue highlights and brown eyes.

## Psychological Characteristics

Taro is an ENTP <sup>4)</sup> personality. He tends to be very open and unyielding to obstacles he faces. It is rare he spares anyone from his wisdom, stories of his experiences, or the ideas he represents. He is very charismatic and has a unique appealing charm where he is able to find creative ways around objections and promote his way of thinking. The qualities were certainly part of what drove him up the ranks of the [Star Army of Yamatai](#) so quickly.

He is a leader at heart and a protector for the [Motoyoshi Clan](#); he even has a tendency to be protective over [Ketsurui-Motoyoshi Katsuko](#) which has occasionally given the wrong impression about their relationship.

Taro tends to be insensitive and argumentative towards those who hold [misconceptions](#) about the family, and is willing to face off with anyone regardless of their standing or occupation with in the [Yamatai Star Empire](#). He has a particular dislike for [Star Army Intelligence](#) and rarely presents the intelligence branch of the [Star Army of Yamatai](#) with any kind of respect. He however regards [Taisho Ketsurui Yui](#) as a goddess-figure who can do no wrong. He has a passionate hatred for democracy and describes his reaction to the more democratic processes that have come to rise as sickened.
