## Physical Characteristics

- Height: 155cm (5'1")
- Mass: 44kg (97lbs)
- Measurements: 34A-24-34

**Build and Skin Color:** Tsukiko's skin is a royal purple colour, deep and dark. Her skin is smooth, she doesn't get any blemishes or have any real imperfections. She does have a few darker purple, almost black, freckles on her lower arms.

Tsukiko is a plain and simple hourglass shape. Her build is slight and thin, but not disturbingly so. She doesn't have very much muscle, though she is fit enough to be able to do her job properly, and she makes sure to maintain it.

Her shoulders are modest and round and she has great posture. Her neck meets her jaw elegantly. Her bust is even, her hips slightly rounded, and her waist well toned. She has long thin fingers, and small palms, as well as small feet. She has long, shapely legs.

**Eyes and Facial Features:** Kind almond shaped eyes of dark gold, almost always smiling, are framed by long curled lashes. Her cheeks are round, a dusky purple blush showing her health at any given time. Her curved jaw is gentle, and meets with her slender chin seamlessly.

Tsukiko's eyes are a clean almond shape, single lidded and almost always framed with thick winged black eye-liner. Her golden irises have flecks of black around them, and a thin line of darker gold around the outside. Her lashes are well taken care of, showing that she cares about her appearance.

She has rounded cheek bones, not overly prominent, and set just under her eyes. Between them is the rounded bridge of her nose, the curve of which begins just below her eyes. Her nostrils are small and closed, the tip of her nose is pointed, but smooth.

A plump but narrow set of lips, the a darker colour than the rest of her skin, live mere centimetres above her slightly pointed chin. She is almost always smiling, and when she smiles her lips pull over a set of very nice teeth.

**Ears:** Tsukiko has long, thin cat shaped ears. They are situated evenly between her eyes and her lips. The hair which sits on the lip of her ears is red unlike that which is on her head.

**Hair Color and Style:** Thick light orange bangs fall over her short forehead, a tumble of curls flow over her shoulders and down to just past her elbows, almost to her waist. Her bangs are cut to stop just above her eyebrows, plucked to an elegant thin shape, and then to have a tendril flow down each side to just below her jaw.

Her hair is thick, with natural streaks of lighter orange and an almost red colour which gives her hair the overall colour of a cloudy sunset.

**Distinguishing Features:** She has a mark in the shape of a crotchet rest on her left shoulder which is a much lighter purple than the rest of her skin, almost a purple grey colour.

## Psychological Characteristics

**Personality:** Tsukiko has been called many things, friendly, open, helpful, caring, and a cling on (by a certain other Neko).

Tsukiko cares a lot for people around her, she is able to make connections and worry about people without very much work on her part or the others'. Because of this she makes a good medic, simply because she is able to see problems from others' points of view and care about the issue at hand.

Being very friendly is also a bright side for her, she is constantly smiling, always showing the bubbly and attractive side of her personality. When it comes to flies coming to honey, Tsukiko has plenty of it. For the quieter of the people around Tsukiko's friendliness can seem like a bit of a hound, but she doesn't intend it that way what so ever.

Tsukiko is very interested in keeping her appearance as perfect as possible. She pays attention to her make-up, she works out when able, and she keeps a comb on her most of the time. She has a bad habit of judging people against herself, thinking of herself as the best template to work off of.

- **Likes:** Make up, exercise
- **Dislikes:** People who don't take care of themselves,
- **Goals:** Protect the people who she is closest to.

## History

### Family (or Creators)

Ketsurui Zaibatsu

### Pre-RP

Formal training was easy on Tsukiko. She made friends early on, spent a good amount of time on her medical training- Probably even more on her social training.

She made friends with a small and very quiet Neko named Ayumi who, while seemingly uninterested in her, used her nickname "Tsuki" to refer to her.

The time she spent training as a medic made her realise how many terrible things could happen to a person out on the field. She read books about various historical battles and the outcomes and was inspired by the readings to focus more on her medical training.

Ayumi graduated before her, Tsukiko having trouble focusing on her studies. For a while Tsukiko was unsure if she wanted to ask to be a civilian doctor, not having any real interest in being on a ship. She wasn't sure she'd be able to handle any battle situations, but ultimately the decision had been made before her.

She was previously posted on the YSS Sakura II for a short time.
