Character Description

Irinth is a five foot 4 inch tall Minkan with a slim body and figure. She has dark skin and dark brown hair that reaches her shoulders. Her eyes are red, by choice, She also has a horn the left side of her head that points upwards.

Irinth's personality is easily readable, she isn't really a people person and favors to be by herself, she will do small talk if she is required to. She likes to research things of a more morbid quality, finding books from different species that talk about the occult and old world gods and goddess. She finds it really interesting and has even made her new minkan body show off some of the old beings look.

History and Relationship Notes

Irinth has worked with Delanna before and finds the captain of the Shinsugo one of the only bearable people she has worked with.

Her family gets a small amount of her wages every time she gets paid, just as a “See I am still alive” message.

Irinth's life even in the Star Army hasn't been that eventful, she has worked, proved herself and delved deep into a hobby most people would shy away from. On one of her ships she met an interesting species of humanoid and wanted to continue her hobby, surprising to the Minkan, the shark creature was very open about the gods and goddesses she followed, talked about her beliefs and even got her a book from her homeland bound in a kind of leather. When she saw that her old Shark friend had taken command of a ship, she instantly put in to transfer to the new ship.
