**Build and Skin Color:** Ms. Israel has an olive complexion and is considered full-figured even though she is shorter than average. If she were human, her ethnicity would be guessed as half Japanese, half Hispanic. She upgraded to an NH-31F two years prior from the NH-22C.

She tries to keep her bangs swept to the side of her forehead, but is often seen angrily brushing them aside in frustration when they don't seem to stay where she wants them.

**Distinguishing Features:** Mira Israel has her nose pierced, serving as a sign of her rebellious nature in her early teens when she was upgraded.

She is young but disciplined and hard-working, stubborn when it comes to her patients' care and passionate about helping others. She can be a bit

awkward and her bedside manner needs improvement, but what she lacks socially she makes up in her exceptional medical skills. She has a sarcastic humor to her, loves to flirt, and can be quite mischievous.

### Pre-RP

Mira grew up with disdain for the flippant attitude her parents had towards working. After her trip, she committed herself to joining the Star Army of Yamatai to work as a medic while studying to become a doctor, much to her parent's dismay.
