Physical Description

Jamie has a slightly pale white skin colour. She is blonde, a light yellow. Her neko ears and tail have a light cream fur, much more light at the tips. Her eyes are heterochromic: yellow and blue. She has a thin build and quite a high metabolism, making her hungry most of the time. She stands at about 5'1.

Personality

Jamie has a very explosive personality. She is normally enthusiastic, optimistic and hyperactive, and with hyperactivity she can also be quite curious. She does suffer from sudden mood swings which can bring her from extremely happy, to burning angry, or to depressing sadness. Though these mood swings are quite rare, so she is normally in her “enthusiastic and optimistic” mood which is known to be annoying.

History

Jamie is a relatively short, hyperactive infantry neko currently assigned to the Inquisition Fleet. After being created, she was put into the normal infantry training, which she completed with no real problems. Jamie excels in close quarters combat with short ranged weapons, melee weapons, or her own fists.
