Personality

Primal Zodiac Personality Reference/Base: [Otter](#)

Although she has only just come into the world, and as such, hasn't had much time to develop much of a personality, she has already been found to be quite social. Along with this, she is quite intelligent, and has shown to much prefer the pursuit of knowledge, as opposed to fighting. She has also been found to take good care of her looks, always finding time to care for her body. However, she has also shown a liking to being in command and control, however has shown to obey orders, only being so to people of the same or similar rank to her, and only some of the time.

History

The start of Kanagawa Renna's life was in [YE 42](#), when she was created by the [MEGAMI](#) of the [YSS Kanagawa \(Plot\)](#), along with [kohara_chasianna](#), whom she considers her "ship sister". They were both created to support the existing crew, to later fill in missing roles on the ship. To prepare for this, Renna has, over time, taken up various roles on the ship, as part of her training before her first, real mission, her career starting off in a dramatic way, as the ship's Continuum Distortion Drives would act strangely...

Skills Learned

Kanagawa Renna has the [Star Army Common Skills](#) and the [Neko Abilities](#), along with:

- **Technology Operation** - Despite the short time of life Renna has had, she has quickly shown skill and ability with computers, much like the [MEGAMI](#) of which brought her and her 'ship sister' into being, and is eager to learn more.
- **Medical and Science** - Along with computer sciences, Renna has shown much interest in science in general, eager to learn all the sciences have to offer her.

Social Connections

Kanagawa Renna is connected to:

- The [MEGAMI](#) of the YSS Kanagawa - 'Mother'
- [kohara_chasianna](#) - 'Sister'
- The Crew of The [YSS Kanagawa \(Plot\)](#)

Inventory & Finance

Kanagawa Renna currently has the following:

- [Star Army Standard Issue Items](#)
- [Star Army Datapad, Type 33](#)
- [EM-J5-1a - FARS SAOY](#)

Kanagawa Renna currently has 3000 KS.
