## History

### Family

- Karasu Genjuu - Father (*Died in the destruction of [Taiie](#)*)
- Karasu Yasashii - Mother (*Died in the destruction of [Taiie](#)*)
- Karasu Kuroi - Younger brother (*Died in the destruction of [Taiie](#)*)

### Pre-RP

Gin grew up on [Yamatai \(Planet\)](#) outside of Mezerit. Her father was a Hopkido master and taught Gin the art in their family 🏠 [dojo](#). He instilled a very strict warrior code in her one that had been passed down thru the Karasu family:

- *Words before wounding*

- *Wound before killing*
- *Kill only if words and wounding fail*

She grew up a happy and loved girl, despite her father's strong discipline, and teaching. He would take her and her brother out on excursions into the forests outside of Mezerit and teach them how to survive. He also encouraged her curiosity and inquisitive nature.

On her sixteenth birthday her father presented her with a [Durandium Alloy](#) (three section) folding staff. This staff was the Karasu traditional weapon and only given when a student reached the first mastery. She quickly mastered the trick of extending the staff and getting it to lock into place. She carries the staff with her in a special leather holder. It is the only item that she has of her parents.

In [YE 28](#) her parents decided to move the family home to [Taiie](#). They left Gin to remain on [Yamatai](#) because they did not wish to interrupt her schooling. She would never see her family again in person. They were killed on [Taiie](#) when the [Sfrarabla Mishhuvurthyar Xhrafuklurp \(SMX\)](#) destroyed it in [YE 29](#). Tragically or perhaps by fate, they died when Gin had only two months left to graduate. She made it through that dark period of her life by following the teachings her father had given her. Once she finished her schooling she needed to see the place where they died so she traveled to the bard cluster to see it. After that she traveled for a while using the money left to her by her parents.

When the [Scientific Studies Service \(SSS\)](#) formed she sought employment as a way to serve the Empire without being a warrior.
