## Physical Description

- Height: 4'7"
- Mass: 79 Lbs.
- Measurements: 26B-18-32

The most distinctive part of Kawasaki Hayami's appearance<sup>3)</sup> are her <sup>4)</sup>four long and bushy white tails that measure just over half of her height in length. Hayami is a short Neko with a lithe, hourglass figure, a perky and bubble-like rear, and especially wide hips. She has long and straight magenta hair that is normally worn down<sup>5)</sup> and she has a creamy skin tone. Her triangle-shaped facial profile is accentuated by her sharp jawline, button-like nose, and her semicircular<sup>6)</sup> shaped eyebrows. Her lips are of ample thickness while her proportionally large eyes are almond shaped with cyan irises. She has proportionally large Neko-style ears that are thickly coated and filled with magenta fur.

Hayami always wears dark purple lipstick.

## Personality

Kawasaki Hayami is meticulous and nonauthoritarian in manner and behavior. While she does not have a passive nature, she is not a natural leader or commander, nor does she desire any responsibility of the

sort. Her meticulous and somewhat perfectionist tendencies tend her towards introspection, however, Hayami does not loathe social interaction or large crowds. On the battlefield, she behaves with the manner of a cold killer. However, her Nekoalkyrja instincts crave the rush of combat despite her passive outward exterior.

Hayami is also a hedonist and a pleasure seeker. Whether that pleasure is the satisfaction of defeating an opponent in honorable combat or the warmth of a lover's embrace, Hayami actively strives to experience it to the fullest and most extreme extent.

**Likes:** Sex, Running, Lucid Dreaming, Sweetened Foods, Lipstick, Yamatai

**Dislikes:** Clothes, Unsweetened Foods

Kitsunes have origin in east Asian Mythology. They are often depicted as nine-tailed foxes that have a host of magical abilities. This character's design is inspired principally by the aforementioned subject, however, this character has only four tails instead of nine.
