Physical Characteristics

Height: 182cm / 5' 10" Mass: 54kg

Build and Skin Color: Whippy and Strong, Pitch-Dark Blue Skin

Eyes and Facial Features: Hooded, shielded dark golden eyes that see all and give nothing back. Angular features that blend well in the shadows she prefers.

Ears: Cat-like ears of the sisters before her.

Hair Color and Style: Shaggy blue-blond mane, cut for distraction and illusion.

Distinguishing Features: Rumored to have a small, nearly indistinguishable horizontal scar on bottom of right foot, from suspected tattoo removal. Has not been visually documented.

Nearly every acquaintance reports an initial feeling of fascinated unease. Encountering Ardath begins in fragments, never quite sure which facet they've unearthed.

Loyal, cutting and restless. Edging towards piracy and [Smuggling](#) for her own insatiable curiosity.

The Ketsurui Zaibatsu

Pre-RP

Skills

Communication

Fluent in Trade and Yamataigo. Fascinated with forbidden tech and electronics.

Technology Operation

Capable of operating any computer system that uses the Kessaku OS, found on all Star Army starships. Proficient in data entry, but much more useful in research and broader data inquiry. Shown extreme interest in subverting, manipulating and operating enemy communication equipment, styles and codes.

Mathematics

Basic mathematics training, including algebra and trigonometry. Specific technical interests include mathematics relating to ship drive systems and small explosive firing systems. Tends to overtip bar and wait staff for information, and has lied that she miscalculated appropriate tip and bribe % amounts.

Fighting

Proficient in hand-to-hand combat, in Yamatai-like conditions and in zero-gravity. Skilled with and without weapons, including energy pistols, knives and power armor. Quick, agile and silent as a fighter, despite her height.

Rogue

Best at observation and stealth missions, incredibly aware of street and ship overall situations. Most at home in the darkest shadows and twisty alleys. Picking locks, commandeering equipment, keys or whatever she needs are her strengths. She tends to have a close set of confidants and gang members, with little known of her outside of small circles.

Knowledge: Memory and Retention of Research

Do not underestimate the length and scope of her memory.

Survival

Initial training in shelter construction, scouting, camouflage, signaling and navigation.
