Physical Characteristics

Description: A frame that is especially slender, almost to the point of simply being skinny. Makoto wears sarashi instead of normal undergarments while on duty and dons a (contraband) male uniform fitted to her size, giving her a very androgynous appearance. **Hair Color and Style:** Makoto has mid-length blonde hair, coming down to her shoulders. It is typically tied into a ponytail with a small metal clasp or bow. **Distinguishing Features:** Notably, the fact that she effectively passes for a girlish male Yamataian in most of her guises, with her voice just barely allowing her to present herself as a teenaged boy. As an NH-29H, she also lacks the furred ears typical of most Neko.
