Species:	NH-29
Gender:	Female
Organization:	Star Army of Yamatai
Occupation:	Star Army Intelligence Operative
Rank:	Taii
Current Placement:	Black Sands Test Range

Character Description

Ami is a cuddly, cream-colored Neko with droopy, bright-blue eyes and feathered, golden-blond hair. She really doesn't seem to be the type to be from [Star Army Intelligence](#), but her outer personae is pretty good cover. While she acts all bubbly and happy, Ami is quietly calculating the best methods to get the job done.

She seems to have an obsessive quality to her when dealing with [emilio rice](#) and will often become extremely aggressive in her advances.

History and Relationship Notes

A [Star Army Intelligence](#) operative serving as the [YSS Korifumi](#)'s Missions Operation Officer, Matsuo Ami is technically considered support personnel. Being highly attracted to [Shoi emilio rice](#), Ami tends to obsess over what he does when off-duty¹⁾.

Skill Areas

- **Communications:** Fluent in Yamatai-go, Trade, Abwehran, and Lorath. Capable of using communication equipment from Yamatai, Nepleslia, and Lorath (finds Abwehran tech too droll). Able to write reports, fill forms, etc. She is also able to transmit using her natural wireless communications system.
- **Fighting:** Ami has been trained to kill in a variety of methods. She is well-versed in hand-to-hand combat, standard Yamataian firearms, knives, grenades, powered armor, and even some exotic firearms from Lorath. She is able to perform in both normal and zero-g environments.
- **Technology Operations:** Ami is not only able to use any computer system with the Kessaku OS, but is also able to retrieve information in ways normally designated as illegal²⁾.
- **Mathematics:** Matsuo Ami has had basic mathematics training up to algebra and trigonometry.
- **Knowledge:** Well-versed in Star Army history as well as both Civilian and Military Law in the Yamatai Star Empire.
- **Leadership:** Able to speak in public well, command troops, and discover ambush points.
- **Rogue:** Ami has some roguish skills in her repertoire of abilities, which includes picking locks, sleight of hand tricks, and even a bit of “street smarts”.
