Min-Jun Kim

Species & Gender:	Minkan Male
Date of Birth:	YE 20

Occupation:	Starfighter Pilot
Rank:	Santo Hei

Physical Description

Kim sports short, black hair with fluffy bangs. [Hair Reference](#) He stands at an average 5'6, and a weight of 165lbs. Chocolate brown eyes appear gentle and forgiving, and it's very easy to talk to him when making eye contact. He has a slim jawline, almond-shaped eyes, and a pale pallor. He is Korean by descent, but doesn't know the language.

Personality

Kim is a jerk. He listens, sure, he has to listen to his authorities, but somehow he still makes it seem like he doesn't give a damn. He's very driven without much ambition. Work was never difficult, or hard for him. When he did chores around the house for his mother, he never failed to impress her. Spotless. He could make the house sparkle within an hour. Not that being good at cleaning was useful in the army. People were gross and dirty and Kim gave up trying to clean up other people's messes.

Friends aren't his strong point. Communication is as short as he can make it when it's needed on the field. Sometimes his coworkers talk with him, and he can hold a conversation just fine. He just doesn't care all too much. There are more important things he's got on his mind. Like, that big collection of horror movies in his room. The 100+ comics he has in a cardboard box under his bunk. Not one person came into his apartment. There was no need for sex, friends, and alcohol in the military. Well, for some he knew they couldn't live without getting drunk on the weekends until it was 4AM.

It doesn't matter what they make him do or how they make him do it, he'll obey because at least that's something to do. Kill a bunch of innocent bystanders? Pregnant women? He always said that it wouldn't effect him in the slightest. Truth is, he's a wreck thinking over the subject of murder. Al were ruthless in all the oldies; no feelings, no remorse. Kim knew he, as well, was artificial, but couldn't bring himself to be a stone cold killer.

History

Kim, Min-Jun was born in [YE 20](#), July 18th. He had a normal home life with a mom and a dad and one sister. Although, he hasn't seen her in years. At one point, he and her were very close. Closer than anyone he'd ever met before. Then they naturally distanced when she started to import illegal tobacco and he joined the military to make sure noone would lose their family the way he did. Leaving his distraught mother and father wasn't very hard. Getting away from two depressing old folks seemed like a divine opportunity, and he took it in grand stride. Now, ignoring how his sister is somewhere out there, attempting normal life and rehab, he starts his career working for The Star Army of Yamatai.
