Physical Characteristics

- Height: 1.6m/5'4"
- Mass: 46kg
- Measurements: 35C-20-40

Build and Skin Color: Aya is lithe and has a toned body. Perhaps her most striking feature is her deep sky blue coloured skin, which, although it may not be “in your face” is definitely eye-catching.

Eyes and Facial Features: Aya's face is roughly heart-shaped, and her bright green eyes are almond shaped. Her nose is of medium length, and it is fairly thin.

Ears: Her ears, unsurprisingly, are the same type as those of all other Nekovalkryja: feline-like ears, covered in black fur.

Hair Color and Style: Aya's hair is pitch black, and is invariably short or worn in a bun, although she lets her bangs grow slightly longer (though not to the extent that it gets in the way of practicality). It's usually kept as neat as the situation allows.

Distinguishing Features: N/A

Psychological Characteristics

Personality: On the whole, Aya is an energetic, peppy person. She rarely lets anything get her down (in fact, a somewhat good way to tell something's wrong is if she becomes sombre), and she always tries to find the silver lining in a cloud. Similarly, she loves making new friends (even if the target of her attention might not reciprocate the feelings), and she is a rather inquisitive person as well.

She buys heavily into Yamataian ideals and her role in the Star Army; if she had to choose between two options, she is most likely to go for the choice that would benefit her homeland.

Particularly because she is so new to the Star Army, she desires to show that she can be an effective contributor to whichever squad she finds herself in, which is a powerful driving force for her actions. She also gets a thrill from challenging herself.

- **Likes:** Sweet food, making friends, seeing new places, exercising
- **Dislikes:** Bitter food, disappointing others, laziness (on her part or someone else's).
- **Goals:** To prove herself as well as to protect Yamatai and its' citizens.

History

Family (or Creators)

Aya was created by the [Star Army of Yamatai](#). As would be expected, she is extremely fond of the SAOY.

Pre-RP

Created by the Star Army of Yamatai, Aya Miyamoto is extremely wet behind the ears - she has only been out of training for about 11 days. Though she doesn't know what the future holds for her, as well as her inexperience, she has put every effort into making herself useful.

Skills

Star Army Training

Like all Nekoalkyrja in the Star Army of Yamatai, Aya had her basic military training downloaded into her brain, meaning that she is familiar with all of the [basic tasks](#) that would be expected of a soldier in the SAOY.

Demolitions

Aya has had training in identifying, creating, handling, and disposing of explosives of all types (though with a strong bias toward military explosives), such as those currently in use by the Star Army of Yamatai, as she is intended to act in the demolitions role on the battlefield.

Physical

Aya has enjoyed pushing herself physically since she was created, often attempting ever more punishing exercises (though that's not to say she never takes it easy - she just finds it more rewarding to make things tough). As a result, she has somewhat greater stamina and such than she might otherwise possess. Obviously this is rather handy on a battlefield.

OOO Discussion

This is my very first character for Yamatai; I'll do my best to play her well!

If anything appears incongruent (such as the name of the plot I'd prefer to play) it's because this sign-up was done over most of a week.

The hex code for her skin colour is #00BFFF.
