Character Description

Motoyoshi Eidan is growing up into a handsome young mid-teen and is the son of Motoyoshi Tio and Tange Amaya. He is a slender, healthy-looking young boy with bright cerulean eyes, a soft cream complexion, and violet hair. Much like his father, his features have a very bishounen quality to them.

Eidan tends to be a quiet, well-mannered person. He has a very charismatic and bright personality when he is engaged with those he knows but tends to be timid around strangers. He has spent most of his life under an assumed name and in the care of Yamamoto Anzu in [Tokyo](#). His childhood has been disrupted by the need to keep his identity a secret while he has strived to learn as much as he can about his father, [Motoyoshi Tio](#).

History

Eidan is the result of a night of passion between [Motoyoshi Tio](#) and [Tange Amaya](#) on the eve of Independence for the former [United Outer Colonies](#). He was born in [YE 31](#)

In [YE 32](#), when the [United Outer Colonies](#) fell under attack, his father [Motoyoshi Tio](#) entrusted his safety to Yamamoto Anzu, a former lover. [Tange Amaya](#) went into hiding with Eidan, however in [YE 33](#), she was kidnapped by [Motoyoshi Kiyoko](#) and has been assumed dead.

Under the care of Yamamoto Anzu, Eidan lived a relatively normal life under an assumed identity and protected by pockets of those loyal to the Prince after the colonies were returned to [Yamatai Star Empire](#) control.

In [YE 42](#), He was taken to [Jiyuu Jo](#) along with his caretaker²⁾, under the protection of his grandmother, [Ketsurui-Motoyoshi Katsuko](#). For his protection, he was transferred from his [Jiyuuian NI-ARIA](#) body into a [Minkan](#) of the same age and aesthetic maturity. He remains a target of [Motoyoshi Kiyoko](#) and her followers who believe that his lineage would legitimize their cause to drive the [Yamatai Star Empire](#) out of the former [United Outer Colonies](#).^{3) 4)}

For his protection, Eidan was taken under the care of [Motoyoshi-Ieyasu Taro](#) and the crew of the [ISS Shiori](#). He spent a year traveling around the [Kikyo Sector](#) learning from his teacher [Takagawa Hitomi](#) and [Nakada Masuyo](#). In [YE 43](#) Eidan's final journey on the [ISS Shiori](#) was a journey to the [Taiie System](#) which included a special late night video call with his grandmother [Ketsurui-Motoyoshi Katsuko](#).⁵⁾

In early [YE 43](#), the [Kuvexian War](#) ended with the [Battle Of Glimmergold](#). It was decided then that Motoyoshi Eidan would attend school at [Tsubomi](#) now that he was safe from [Motoyoshi Kiyoko](#) and the Tange Clan.⁶⁾ During his time at school he became romantically involved with [Motoyoshi Kuroko](#). The two became trouble together, pulling pranks and causing chaos wherever they went.

In [YE 44](#), Eidan was once again pulled from school and assigned to the [ISS Shiori](#) along with [Motoyoshi Kuroko](#). They are part of what will be the advanced scouts for the [Colonization Initiative Alliance fleet](#) which is set to leave the [Motoyoshi Colonial Sector](#) in [YE 45](#). They discovered the Becurn System, the home of the [Cemlae](#) and the [Mocaidins](#) where a mysterious alien AI encourages them to go to war with each other. This a devastating nuclear war on the planet and the [ISS Shiori](#) is forced to leave for their safety.
