## Nekki Shin in Roleplay

Nekki Shin is a [player character](#) played by [Firebrand](#)

## Physical Characteristics

Height: 5'10 Mass: 156 lbs

**Build and Skin Colour:** Shin has a thin build common to most ethnic Yamataians, though he has a well toned body, with his skin somewhat on the pale side.

**Facial Features and Eye Colour:** He has a slim, slightly boyish face, with square framed glasses and light hazel eyes.

**Hair Colour and Style:** Shin has short, jet black hair, slicked back except for in the front, where his Vermilion bangs hang over his face.

**Distinguishing Features:** Shin has dyed the tips of his bangs a dark orange-reddish color. Shin also has a horizontal scar over the bridge of his nose, that he gained sometime in between being kicked off the Senbu and joining the 21st

## Psychological Characteristics

**Personality:** Shin is a normally happy person, capable of finding the silver lining a a hurricane. Though he knows his limits, he often times pushes himself past them, constantly striving to better himself and others. Because he lost his parents to the Elysian plauge, he harbors a great disgust and hatred for all Elysians, though, after learning of the truth behind the plauge, he has attempted to forgive the elysians for the years of hate, though to no avail thanks to certain attitudes prevalent amongst the general elysian population. He wears a pair of glasses, somewhat because he thinks it makes him look cool, and mostly because his cousin wears glasses. Shin's attitude has recently become even more outgoing, with the pilot gaining a somewhat cocky, 'I-Can-Do-Anything' attitude with a touch of hotheadedness and eager optimism, though it has yet to be seen if this is for the better or worse. Certain events have tempered him, though he is still no less eager and hotheaded.

**Likes:** Shin likes noodles, the color orange, the cool breeze blowing through his hair, martial arts, the thrill of combat, piloting, and citrus fruit **Dislikes:** Shin dislikes tofu, the Elysians, the color black, cold days, and stuck up people **Goals:** Clear his Name

## History

### Pre-RP

Shin was born in Malifar, to his parents Nekki Go and Nekki Ruri. From an early age, he was raised in his family's dojo, learning martial arts from his father and uncle. Unfortunately, his training was cut short due to the Elysian plauge. Following the death of his parents, he drifted in and out of various foster homes, until he ended up back at his family's dojo in Malifar, being raised by his aunt and uncle. He found an older brother figure in his elder cousin, who had become a teacher at the dojo, after his stint in the SAoY. His elder cousin inspired him both to use his talented lungs to become a voice actor, and to join the Star Army. Shin was fairly popular at the Dojo and at school, constantly managing to excel both in his studies and in the martial arts. Upon coming of age, he left the dojo, and set out to join the Star Army in order to spread word of his family's ancestral martial arts.

### YSS Senbu

Shin, though a somewhat good Pilot, Shin clashed with his fellow pilots onboard the YSS Senbu, and quickly found himself kicked off the ship. Drifting between planetary assignments, Shin eventually found himself reassigned to the YSS Illustrious as a fighter pilot. Following a brief combat with NMX forces, Shin was reassigned once again.

### YSS Illustrious& 21st Squadron

Was good, got cocky, got shipped out.
