Physical Description

Orion is about 5 feet and 9 centimeters tall. His body is thin and he isn't very strong. He is pretty fast on his feet and is able to fly quickly as well, normally taking advantage of gravity. His eyes are a dark purple

color and his hair is sort of spiky and orangey brown.

Personality

Orion's personality is quite mixed, he normally does like to poke around stuff he shouldn't. He normally feels uncomfortable talking to people he doesn't know,product of his not so friendly past, and won't do it unless forced to. You could describe him as antisocial in other words. He is loyal to his friends (if any) and tends to be quiet around other people. He tends to like to spend his time building or upgrading weapons, usually rifles of any kind.

History

Orion was born in the middle of the third war of the Elysians against the Yamatai Star Empire. His parents both died when he was about 2 years old, he saw them both being killed by soldiers, while hiding in a trash bin. He pretty much taught himself how to shoot, but his skills do need some refining. To be fair, lots of refining.

Orion is connected to:
