## Physical Description

Shoulder length straight black hair done into a ponytail, she is a slender fair-skinned woman with green eyes and a cute heart-shaped face usually holding a smile.

## Personality

Incapable of standing up for herself, Ria tends to have trouble telling people no. She's a very agreeable person to the point of causing issues for herself as she says yes to most anything, especially when she is told to do something. Otherwise, she enjoys reading, listening to music, playing idle and other simple games, and dancing.

## History

A completely unremarkable service career within the Star Army of Yamatai, Ria could be seen as a background character were the world a game. She served her time within the military with no real distinction as infantry on a starbase. She made no real impression on anyone within her squad and when she didn't reenlist, few people truthfully noticed...

After her time in the military with little else to do, she joined a newly started pizza company called Kikyo Pie Company as a delivery girl for the company and usually wound up with the worst delivery routes as she couldn't say no when others asked her to take them.

After a pizza party gone wrong, and a short stint back in the military and nothing of note for accomplishments, Ria attended a mixer where she got a little too drunk. After she spouted off about things she would change before she passed out, Ria would awake the next day with a hang over and a headache from all the noise around her, only to realize she was surrounded by a number of people who were in the midst of managing her campaign. A whirlwind of press coverage, poor opponents, and a dash of luck found the woman in a seat of power on the Yamataian Senate against all odds.

## Skills Learned

- **Communication:** Ria is familiar with basic radio operation and procedures and can make transmissions to and receive transmissions from other characters through headsets, starships, power armor, and shuttles in both combat and non-combat conditions. Ria is fluent in [Trade \(language\)](#) and (optionally) [Yamataigo \(邪馬台語\)](#). She can speak and write both correctly and efficiently and can write reports, fill forms, issue orders under fire, etc.
- **Fighting:** Rita received hand-to-hand combat training, followed up with a rigorous training program. She is skilled and experienced in combat both in Yamatai-like conditions and in zero-gravity, with and without weapons. Weapons she is trained in include energy pistols, knives, and power armor. See also [Star Army Close Quarters Combat](#).
- **Technology Operation:** Ria is capable of operating any computer system that uses the Kessaku OS,

found on all Star Army starships. She is proficient in entering and/or searching for information.

- **Mathematics:** Ria received basic mathematics training, to including up to algebra and trigonometry.
- **Starship Operator:** As part of her time with the Kikyo Pie Company, Ria learned how to fly small shuttles when she needed to take longer deliveries when needed. As such, she can fly most small craft.
- **Culinary:** As a member of the Kikyo Pie Company, Ria has learned to cook since she has had to cover quite a few shifts when the main cooks either couldn't or just wouldn't come in. She is able to cook fairly well as she found it's something she enjoys.
