## Physical Characteristics

- Height: 170cm - (5'6")
- Mass: 129 lbs
- Measurements: 36D-30-35

**Build and Skin Color:** Built in a fairly curvy, slightly plump way, Nai manages the 'motherly' appearance quite well. Her curves are a deception though for those with a keenness of eye can detect the musculature that underlies her person. A bit of an oddity by way of her color, her skin appears to be one long winding rainbow, getting many odd looks from people she's met.

**Eyes and Facial Features:** Rounded with a sharp, button nose, she has a soft facial structure with sharp, almond-shaped eyes of a swirling rainbow hue.

**Ears:** Fluffy, fuzzy, rainbow kitty ears! Rather long, nearly topping a foot, another oddity.

**Hair Color and Style:** Shoulder-length, silky soft, cotton candy blue hair.

**Distinguishing Features:** Another shock forthcoming, a prehensile tail near a foot and a half in length she can use to snatch things up while her hands are busy elsewhere. The coloration bearing resemblance to a candy cane. White with swirly red stripes.

## Psychological Characteristics

**Personality:** Nai is a sweetie pie. She puts everyone else in front of her self. And she doesn't mind, she smiles every second as she helps someone in need. And it goes along with her brilliance. Believe it or not, Nai is a very needy woman. She always needs something, whether it be a hug, food, someone to understand, or sleep. She whines a little too which is the annoying part. She just needs someone to be there for her, but that's kinda hard to find. She's also quite stubborn, but in a good way I suppose. It's as if she won't give up ever, no matter if it kills her. She's all up for accomplishments, so it really explains her when she went three days without sleep to make sure her brain was stuffed with what she'd need for when and if she got a crew. Another good trait of hers, is her unbelievable patience. It's insane how patient she is. She could wait in line for hours if she needed to, and it's not really surprising since she does deal with people bleeding out all over while screaming bloody murder. She can understand, because she's just that darn generous. But sadly she's a little distant with people sometimes as her mind tends to wander. Her kindness is often silenced by her will to lock everyone out. It goes along with her being a reserved person as well, she just doesn't let many people into her personal life.

\* **Likes:** Fish, candy, helping folks, jokes. \* **Dislikes:** People in pain, people hurting people, anything negative. \* **Goals:** To be efficient.

## History

### Family (or Creators)

Ketsurui Zaibatsu

## Pre-RP

A rather recent arrival to the YSS Soyokaze, and a newbie to boot! Naui was thrust into her role as Doctor rather fast. A land and space battle of epic proportions had her dropping her bag and donning a suit to begin helping patients lightning quick! She ended up overextending herself and took a rejuvenating nap only to spring up with the ship on medical lockdown. Now trying to figure out what's going on. She waits patiently in the second Med bay aboard her ship.

## Skills

### Star Army Common Skills

## Communications

Nai is familiar with basic operation and procedures and can make transmissions to and receive transmissions from other characters through headsets, starships, power armor, and shuttles in both combat and non-combat conditions. Your character is fluent in Nepleslian and Yamataian. She can speak and write both correctly and efficiently and can write reports, fill forms, issue orders under fire, etc. As a neko she also possesses telepathy. Since the enemies of Yamatai don't always speak Yamatai she speaks snippets of other languages just in case. no where near full proficiency but enough for general proficiency. \

## Medical

A skilled medic and decent therapist when needed. Able to use Yamataian med-tech to heal, regenerate, backup etc as needed.

## Combat

Nai received hand-to-hand combat training, followed up with a rigorous training program. She is skilled and experienced in basic yamataian tactics conditions and in zero-gravity, with and without weapons. Weapons she is trained in include energy pistols, knives, and power armor.

## Technological Operations

Experienced in the basics of Yamataian tech such as your everyday items. Capable of minor repairs and all that.
