As it relates to work she is rational and impartial, which means that she would give the same quality of work to everyone regardless of personal feelings. She operates well under stress, not afraid to assert herself in the defense of others. Her family is a huge part of her life, whether it be chosen or by blood.

## History

Rina Nematsu was born on [Kyoto](#) in [YE 23](#) to Jumaro and Ehime. Her birth occured during the [Second Draconian War](#), which her father Jumaro was involved in as a medic. Her mother Ehime served as a [Star Army Clerk](#) up until the birth of her brother Meiji was born in [YE 30](#). At this time her mother was honorably discharged after ten years of faithful service. In her early years Rina showed an aptitude for personnel management. This manifested in keeping track of any and all routines, notifying her mother when she thought something was due.

Upon her tenth birthday in [YE 33](#) she received a datapad with various scheduling and organization tools to help aid in her desire to keep track of events. Around this time she also began to develop a taste for baking comforting treats ranging from simple bread loaves to extravagant cakes. Well, as extravagant a cake as a ten year old could make anyways. During this time she began to take over simple house tasking from her mother to help aid in caring for her brother while her father was away on active duty.

In [YE 44](#) her father retired from the [Star Army of Yamatai](#) after thirty years of honorable service. At this time he also began to become more involved in Rina's life discussing future opportunities for her skills. After much discussion requiring very little convincing, if any; Rina decided she would enlist in the [Star Army of Yamatai](#) upon her twenty first birthday. On the day of her birthday in [YE 44.9](#) she was taken to the recruitment office by her mother and father. That was a momentous day for the family as both parents were touched that she was following in their footsteps. Her brother on the other hand was simply content to have her out of his hair.

Following initial training she was stationed at [Fort Minori Reserve Center](#) as a [Star Army Clerk](#) where she met [Satake Hitomi](#). The two swiftly became close friends and coworkers. After a bit of time they split up tasking where Rina would primarily focus on processing personnel discharges and retirement.
