History

Scessaly was born in [YE 23](#) on Essia in a small oceanside fishing village. Her parents were drunks who constantly fought, and as a result she spent a lot of time in the sea, fishing. When she ascended in YE 37, she left and joined the Star Army. Her natural intelligence and curiosity brought her to be a part of SARA where she helped in the administration of projects. She enjoyed mecha and even built a civilian one herself. Eventually in YE 43 she was allowed to join a project that added the ability for Kodians and Separa'Shan to use a [Type 33 Pilot Pod](#). This entered fleet testing in YE 44.
